

Let's do our thing
and count to 100
by 10's!

Counting by 10's Thing Hair

Run off on turquoise construction paper. Students trace the numbers and then cut their strips out. They curl each strip by rolling it on a pencil (face up). When the "hair" strands are curled, they glue 5 number-end strips to each Thing.

10 20 30 40 50 60 70 80 90 100
