There Was
An Old
Lady...

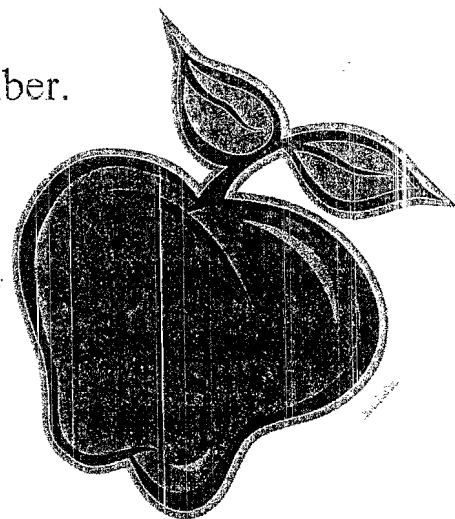

©TeachWithMe.com

There was an old lady who swallowed an apple.
It was September and she swallowed an apple.
I don't know why she swallowed an apple in September.
Perhaps she'll tell you.

September

2

calendar

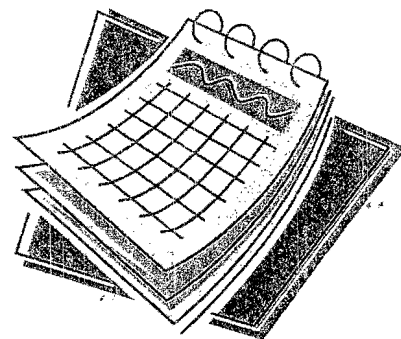

Well we've gone through September, October, November and December too.

January, February, March, April, May, June, July, and August it's true.

Little Old Lady why oh why do you swallow the things that you do?

year

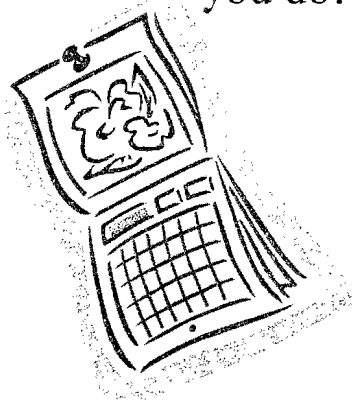

13

months

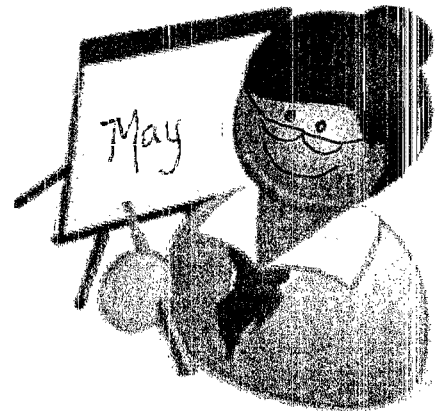

I'm a retired teacher and would like you to know,
all the months in a year as they come and they go.

14

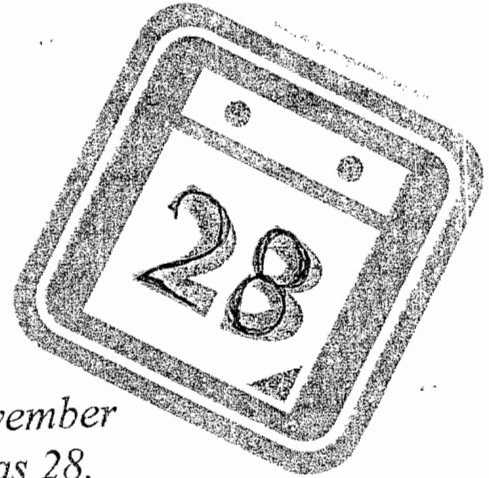

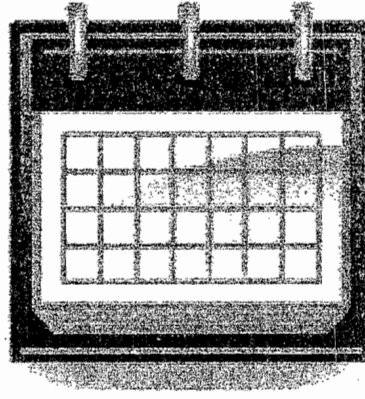

months

I'm a retired teacher and would like you to know,
all the months in a year as they come and they go.

14

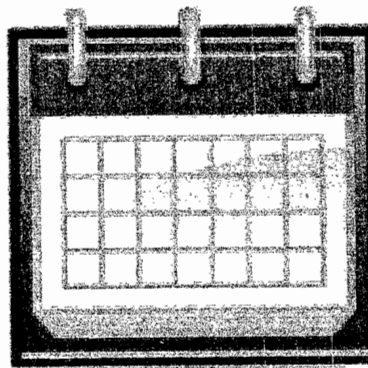

Now wasn't that sweet of the old lady to do?
What's more, she really wasn't quite through!
She taught us this extra nursery rhyme too!

*30 days hath September, April, June, and November
All the rest have 31 except February which has 28.*

15

Now wasn't that sweet of the old lady to do?
What's more, she really wasn't quite through!
She taught us this extra nursery rhyme too!
