## April-Arlene-Ann A

Could it be  
that you took the cookies from the cookie jar?

Yes! I must confess.  
It was fun, to take just one.  
But I'm only guilty a tiny bit  
Because someone else made me do it.  
So...don't forget  
There's a BIGGER culprit!  
Please put the A cookie back--into the pack.  
OK. This way.
