

Happy Harvest!

5 Little Crows In A Cornfield
A Subtraction Book

I know!
Said the cow
About what I asked with a grin.
He smiled and started right in.
About shapes, and numbers, and the 'ABC's too.
They are really very important to you.
Come say them now with me
Then you'll see--how bright you can be!
Slide this shiny white long strip
And you too, can be smart as a whip!

Hello little scarecrow
with the face so round
Going no place...
stuck in the ground.
Staring at the crows
not making a sound.
