

Welcome!

Come
"glow"
with us!

Tape a "glow" stick to one of the stems. (Glow is a play on words for grow too.) Place on students' desks for a 1st day of school surprise. You can get glow bracelets at The Dollar Store (10-15 in a pack.) They also sell them at Target in their Dollar Deals. Children LOVE them. Make sure you explain to younger students not to break them open or chew on them.
