Got my toothpaste,  
got my brush.

I won't hurry, I won't rush.

Making sure my teeth are clean,  
front and back and in between.

When I brush for quite a while,  
I will have a happy smile!

Dental Hygiene  
Writing Prompt  
"Craftivity"

Print on white construction paper.

Students trim and write at least 3 ways they take care of their teeth on the inside flaps, then they fold the flaps on the dotted lines and seal their triangle shut with a sticker. They can decorate the back of their triangle any way they want, or have them color, cut and glue the triangle poem page to the center.
