

# hexagon

Run off on yellow construction paper; laminate and trim.

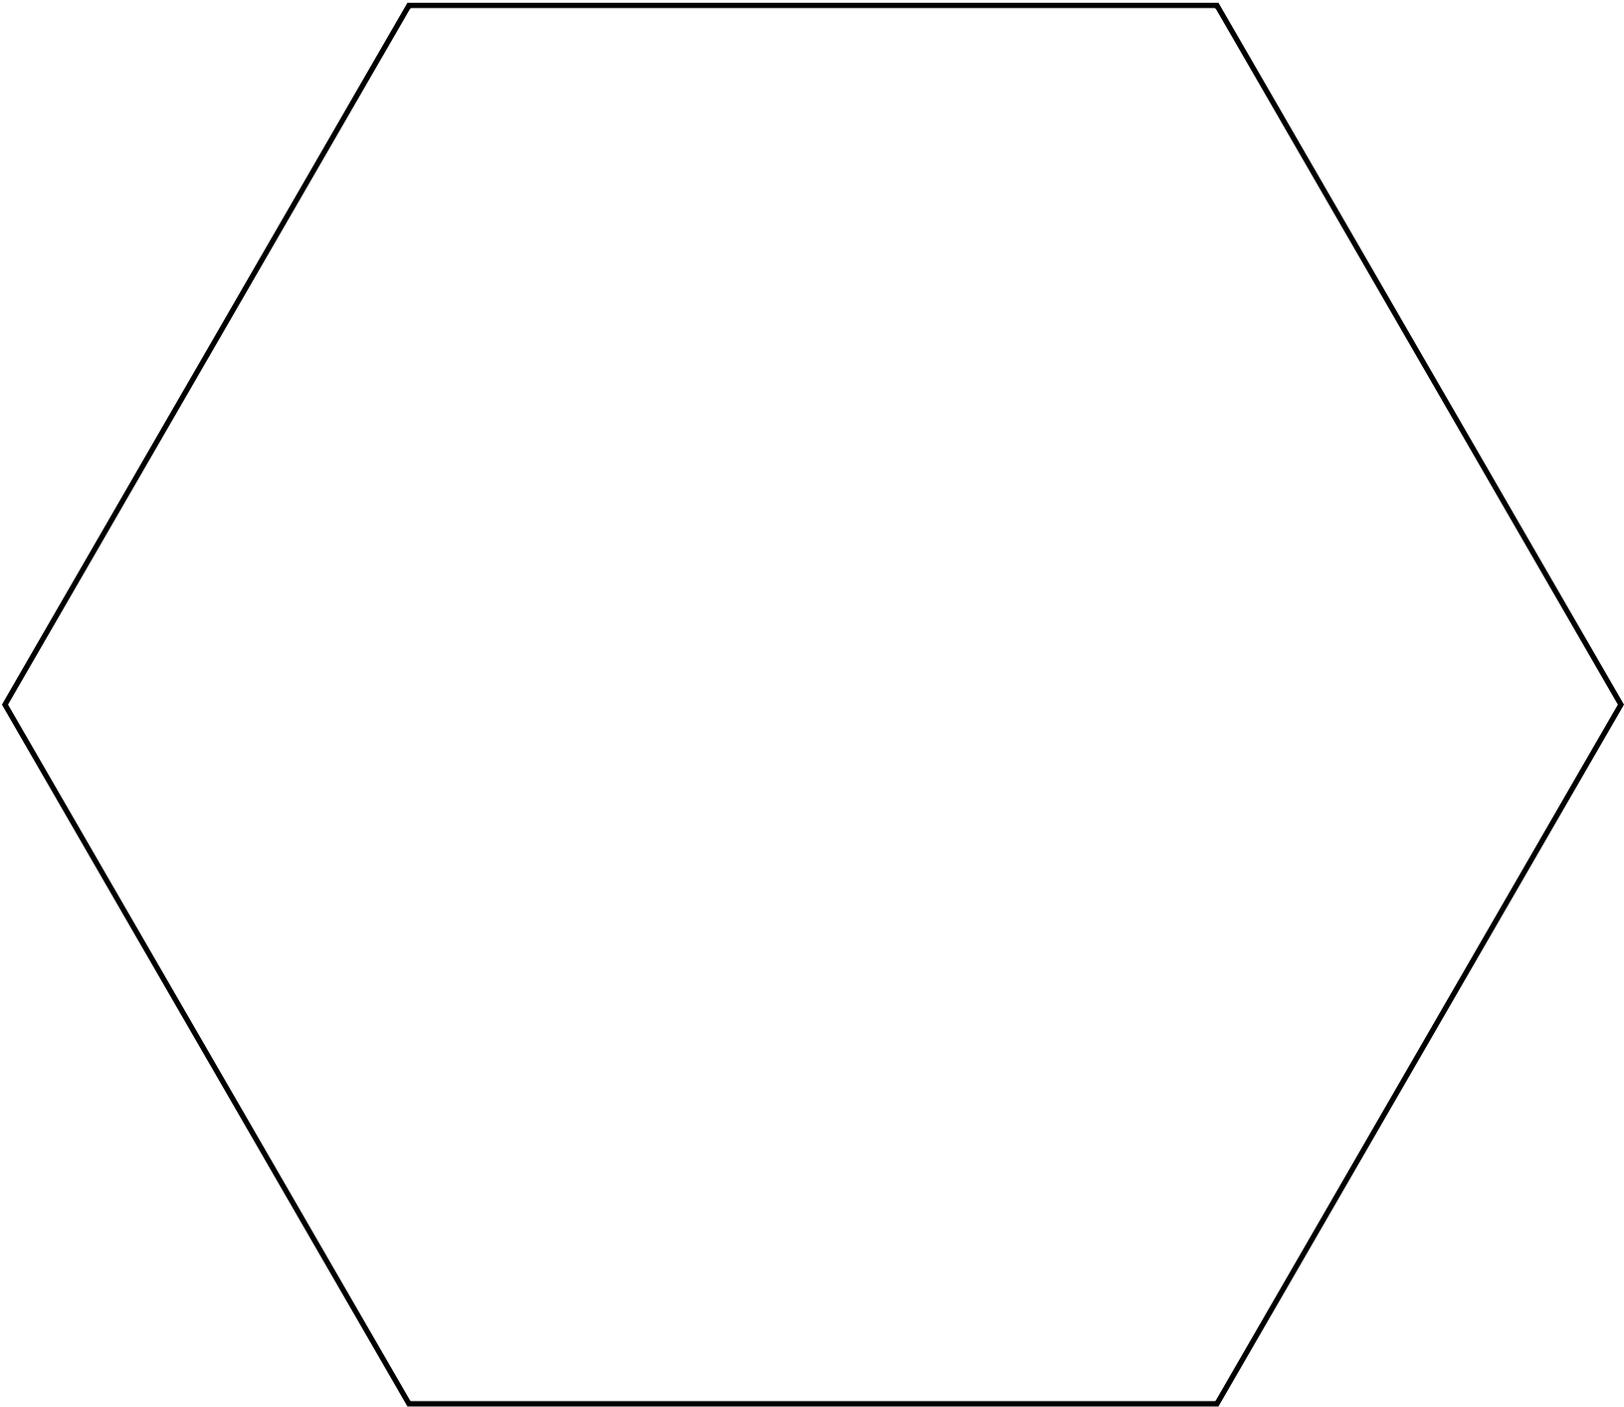

Use these as flashcards, a pattern block bulletin board, or give the giant pieces to students to use with, or as an alternative to, the wooden pattern blocks.

The Elf on a Shelf or the leprechaun could have taken the real ones and substituted these. Also fun for Wacky Wednesday.

Tape to the carpet and make a patterned road for students to follow or play other games with like "Musical Pattern Blocks" instead of Musical Chairs, or Hot Block instead of Hot Potato etc.

Children can also match the plain pattern piece to the one with the word on it.

Put a different shape in each corner and play "4 Corners" by identifying the corners with the block's name.

Run off on yellow construction paper; laminate and trim.
