Mom

I love you because
you take really
good care of me.

You help me with
my school work.

You play games
and read to me.

You cook nice
dinners and keep
the house clean.

You take me
shopping and buy
me stuff.

You are always
there for me.

Happy
Mother's Day!

Love,
Kayla

Use as a writing prompt for Valentine's Day, Mother's Day, Father's Day or Grandparent's Day.

Print off the bookmarks on white construction paper. Students decide who they want to give their bookmark to, then list all of the reasons why they love that person.

Print, laminate & trim. Make into magnets to give to your students on Valentine's Day.
They could also make a card and tuck the magnet inside.

Print, trim & mount on construction paper.

This print can be framed or made into a card.

The Dollar Store sells black frames in a variety of sizes, or students can make a frame using Popsicle craft sticks.

To make this more of a keepsake, print a copy of your school photo composite, cut children's heads into ovals, & have them glue their picture to the middle of the heart.

These make a nice gift for Valentine's Day, Mother's Day, Father's Day, or Grandparent's Day.
