# Who Ya Gonna Call?

TeachWithMe.com

When you see a fire, who ya gonna call?

When someone gets hurt real bad, who ya gonna call?

When you see an accident, who ya gonna call?

2

When you're home alone and someone tries to break in, who ya gonna call?

When you witness a crime, who ya gonna call?

When you're lost and can't find your way home, who ya gonna call?

3

Who's your friend on the other end, someone on whom you can always depend?

Let's hear you shout!  
Without a doubt...  
to get the emergency job done,  
dial

# 911.

When  
should I  
call

911?

When  
should I  
call

911?

Call 911  
when someone  
is hurt.  
When you see  
a crime.  
When there's  
an accident.  
When there's  
a fire.

In an  
emergency  
call  
911.

I'm smart.  
I know how to call 911 in an emergency.

Cell phone flips open to reveal this song. Older students can write a list of when they should call 911 in this empty space.

Call 911  
To the tune of  
"If You're Happy and  
You Know It"

If you need to call for help,  
call 911.

If you need to call for help,  
call 911.

If you think that you're in  
trouble,

and you need help on the  
double,

if you need to call for help,  
call 911.

By having students lightly color the numbers, and then practicing, they hopefully won't confuse a 9 with a 6.

Circle all of the 9 numbers.  
There are 9.  
Did you find them all?  
Be careful of numbers and  
letters that look similar.
