Draw a picture of your spider on the web and color it.

Getting A Leg Up On Fact Or Opinion

A **fact** is supported by evidence and can be proven. An opinion is how someone feels about something. Opinions differ and can be debated. Choose 4 of your favorite facts that you have learned about spiders and write them on the spider's left legs, then give your opinion about spiders, and write those 4 opinions on the right legs of the spider.

My facts:
