Based on the song "We've Got The Whole World In Our Hands"

As we go around the world.

Maps come in color and black and white as well as labeled and not labeled.

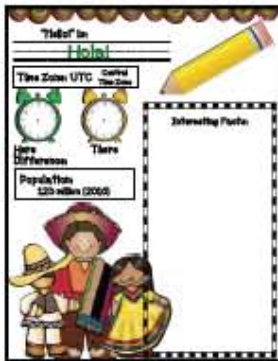

Some of the  
SUITCASE STICKERS  
Most of them also come in BW.

There are clothing options for the various suitcases that children will pack for visiting the different countries. They can have cut-out pages for hot, cold, rainy and "just right" weather pages. Children color and cut out the items they want to "pack" for that country's weather. Then glue them to the appropriate page. Older students can make a list and draw their own pictures. Children should save this page. Use it at their packing time.

I'm going to \_\_\_\_\_  
so I'm packing these things.

## Trip Itinerary

Name:

Run!  
Run as fast as you can.  
Try and keep up with the  
gingerbread man.

Students are invited to run with  
Gin, who'll be their tour guide for  
their travels around the world,  
IF they can keep up with him;  
which they can't.

So he leaves them notes,  
clues and sends postcards.

I culminate our journey by leaving  
gingerbread cookies on my students'  
desks the last day before vacation.

Write notes, clues about  
where he'll be next, and  
"be sure to visit" tourist  
tips from Gin, on the  
18 different cards.

*Hi students!*

*My name is Gin and I'm a gingerbread man.*

*I have running all over the world and have gotten rather  
tired, so I'm inviting your class to come run with me as  
I travel the globe. I'm a real sweet tour guide.*

*Happy and pack, as you'll miss our first  
flight.*

*Love,  
Gin*

*Hi*

POSTCARD

*Waiting for you to catch  
me getting a golden brown  
suntan here at the beautiful  
white beach of Cancun.*

*Love,  
Gin*

Simply address the postcards to you and your students.  
Each postcard features a stamp from that country.

I had an absolute blast creating 3 postcards from each country, which feature a real photograph of a "must see" tourist attraction, plus a stamp from that country. They are sent by Gin, the gingerbread man tour guide. Simply adding them to you and your students, as a fun way to learn more information about the various countries, as well as "point of view" writing.
