

## Tanagrams On A Roll

©TeachWithMe.com

There is a game for each month September–May

Playing these games will help reinforce:

- Number, & shape recognition.
- 1-to-1 correspondence.
- Fine motor skills.
- Matching skills, recognizing similarities and difference.
- Life skills: i.e. listening, following directions, patience, cooperation, playing with others etc.

### Directions

- Print off the master.
- Students choose a partner or play in groups of 3 to 4.
- Students roll the dice.
- If they roll a 1 they trace the #1 tanagram and the number 1 and then place that tanagram piece on their paper.
- You can also have students color their papers as well coloring their paper to match the real tanagram piece.
- The student who gets all of their tanagrams filled in first, is the winner.
