Students CUT and GLUE the bus to the last page of their booklet.

Teacher Notes:

- Run off copies of you class composite on the photo setting of your copier.
- Give each student a sheet.
- Tell them they need to cut their own photo out and put it on the #1 page of the booklet.
- They can choose 14 other friends' pictures to glue on the other pages.
- Tell them you will be collecting the pictures they don't use, to use for other projects.
- Before you print off the booklets, cut and glue your photo over the bus driver's head on the picture for the last page.
