TRACE on the dashed lines.
Use a **DIFFERENT** color for each line.

The image shows a large outline of an Easter egg. At the top is a face with two eyes, a nose, and a smiling mouth. The egg is divided into sections by dashed lines for tracing. The sections contain: a face, a horizontal dashed line, a zigzag dashed line, a wavy dashed line, a horizontal dashed line, a square-wave dashed line, a horizontal dashed line, a zigzag dashed line, a horizontal dashed line, and a series of vertical dashed lines. A long, curved tail is on the left side.
