The flame on my candle is a rectangle.

square

The flame on my candle is a square.

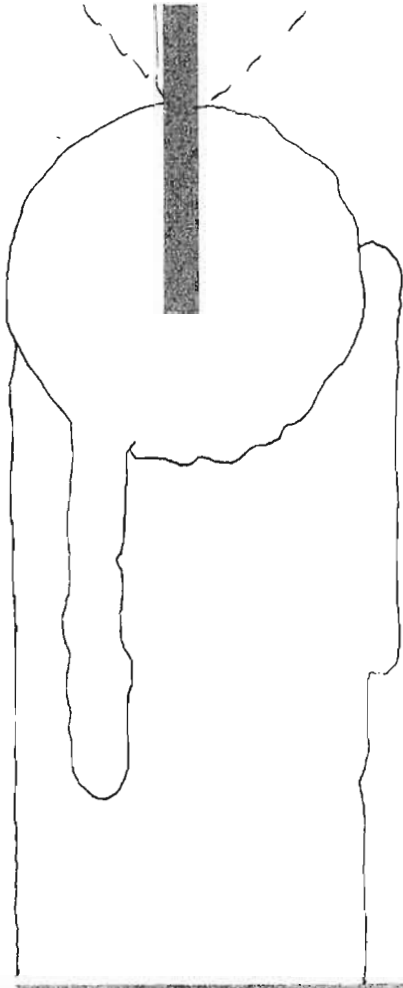

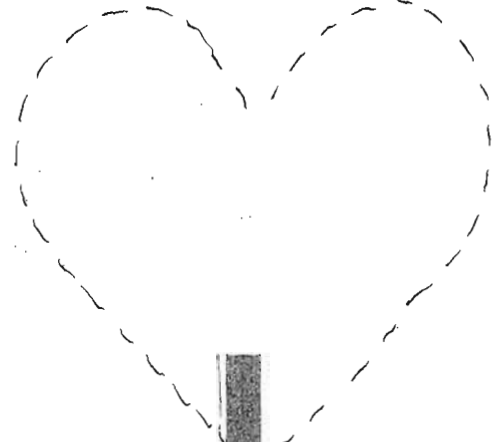

square

The flame on my candle is a square.

heart

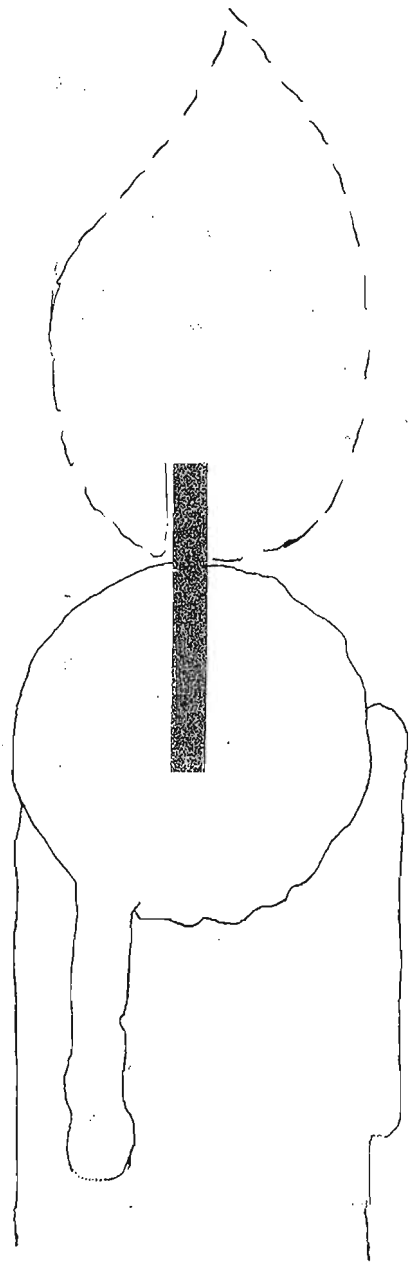

The flame on my candle is a heart.

heart

The flame on my candle is a heart.

8

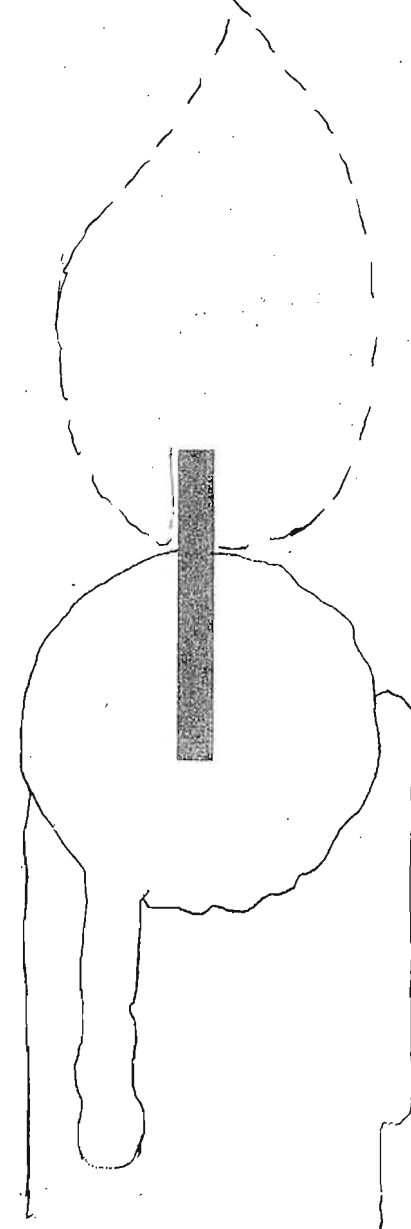

The flame on my candle is tear-shaped.
 Children should NEVER play with flames.
 They cause tears!

So don't play with candles, matches, lighters or fire.
 You could get burned!

The next time you look at a candle, look for the tear shape and remember:
 fooling around with fire can cause tears!

Be alert so you won't get hurt because someone loves you very much.
