5 little apples on the apple tree.
5 little apples as cute as can be.
I ate 1 to the very core.

$$5 - 1 = 4$$

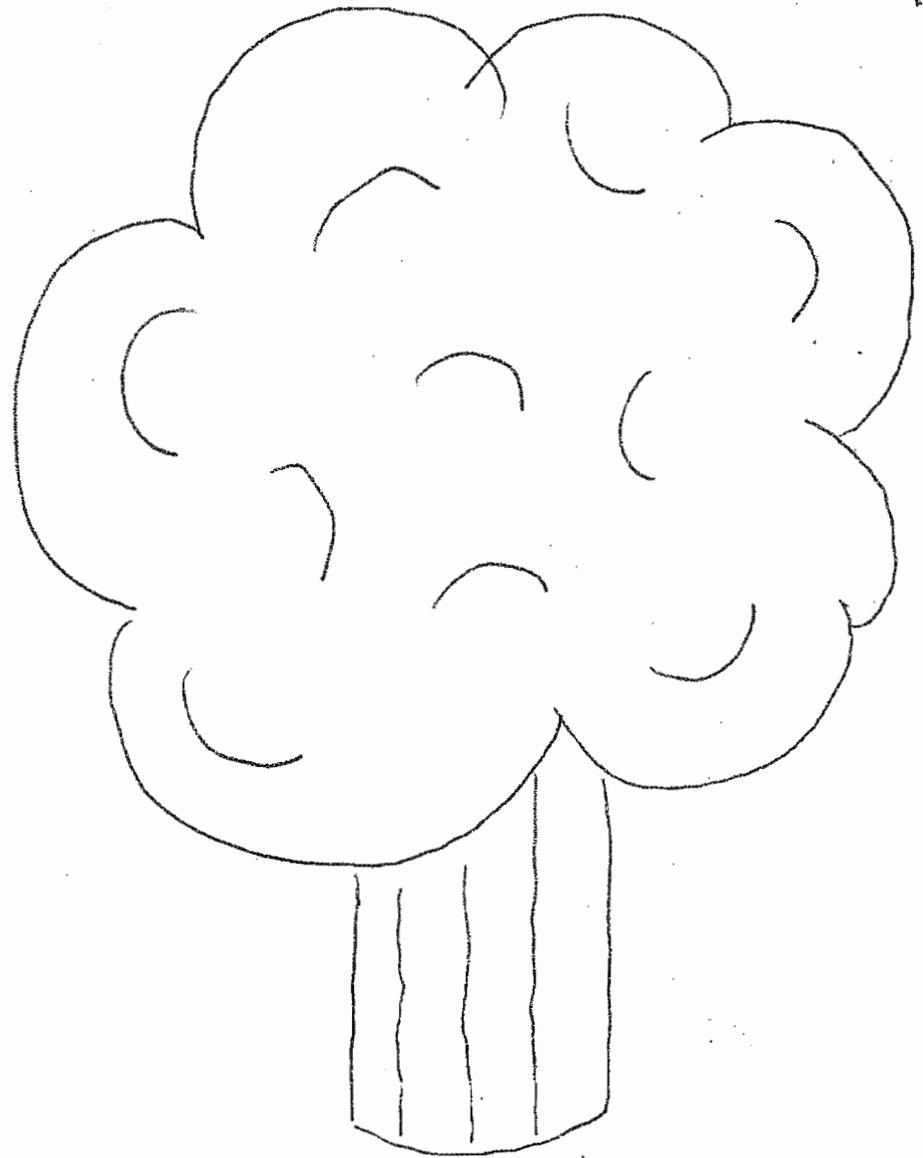

5 little apples on the apple tree.
5 little apples as cute as can be.
I ate 1 to the very core.

$$5 - 1 = 4$$

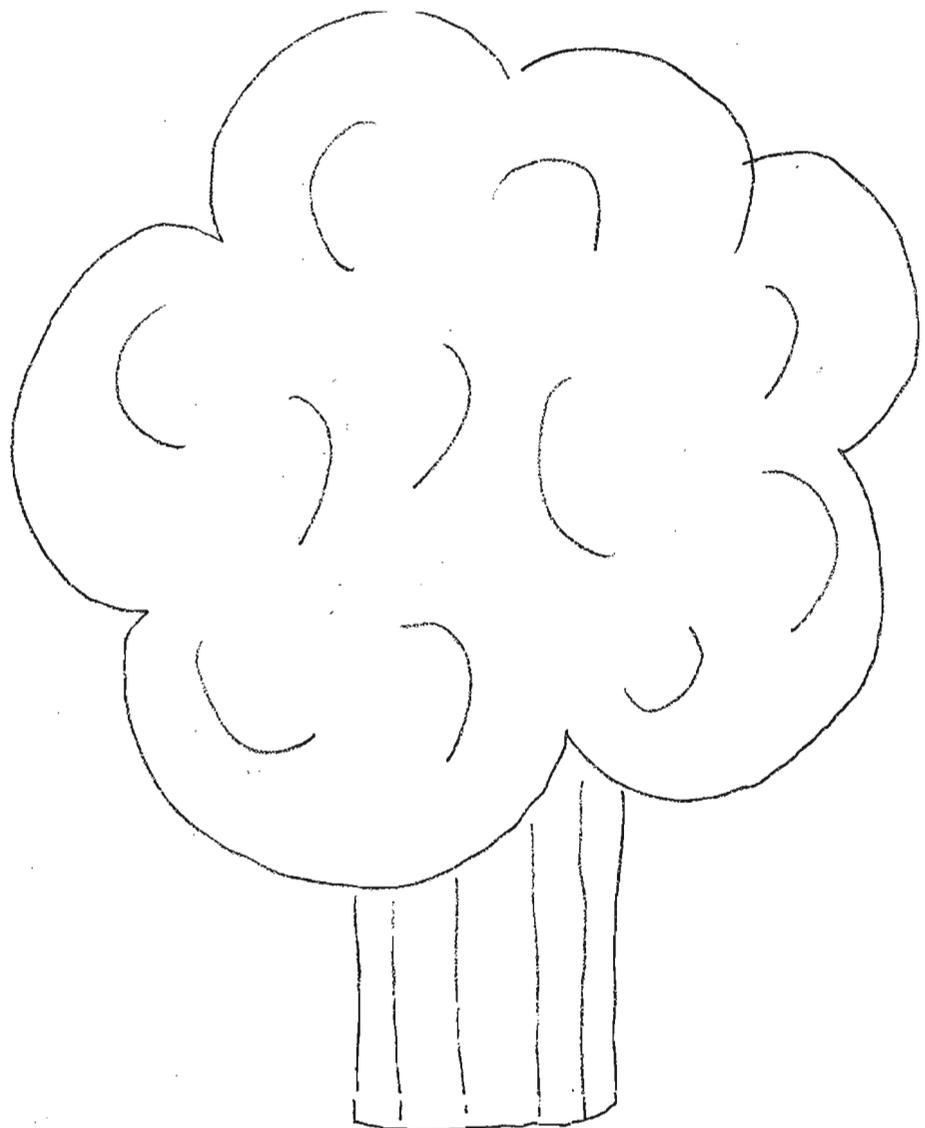

4 little apples on the apple tree
 4 little apples as cute as can be.
 I picked another just for me.

$$4 - 1 = 3$$

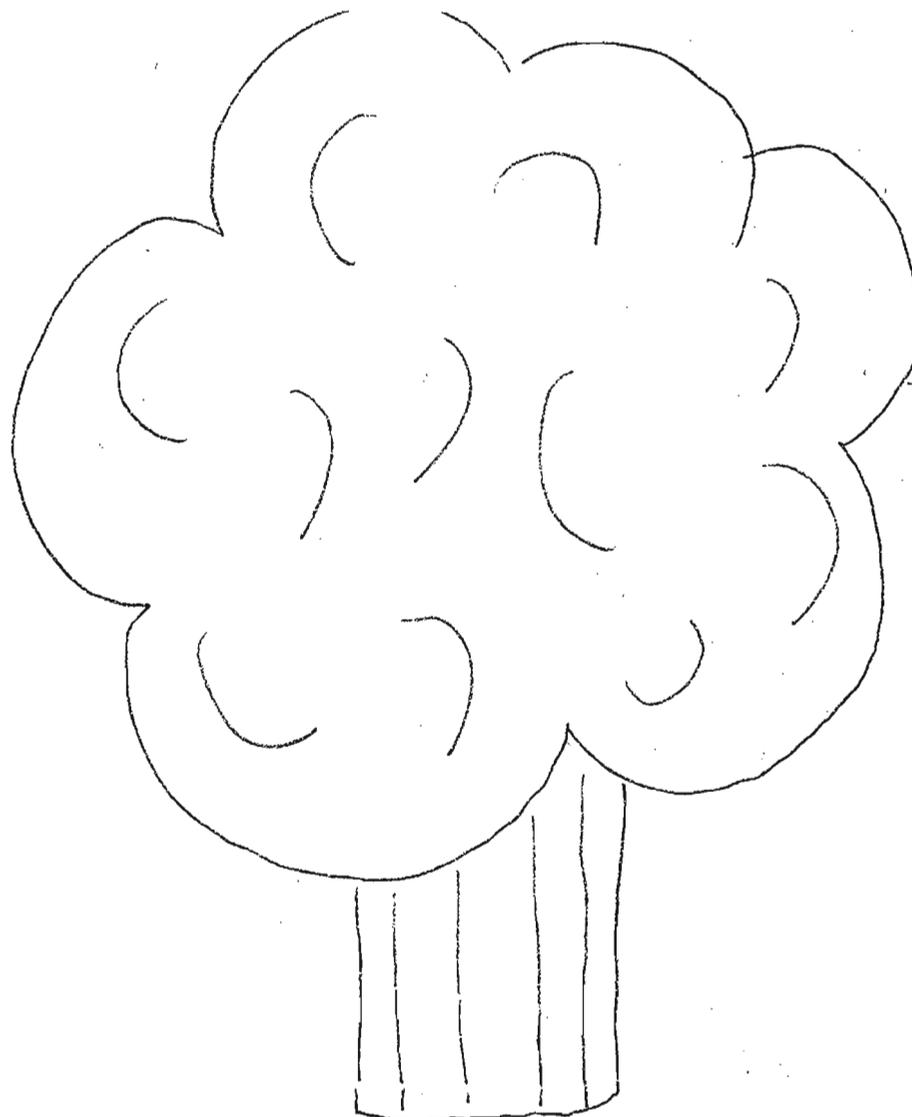

4 little apples on the apple tree
 4 little apples as cute as can be.
 I picked another just for me.

$$4 - 1 = 3$$

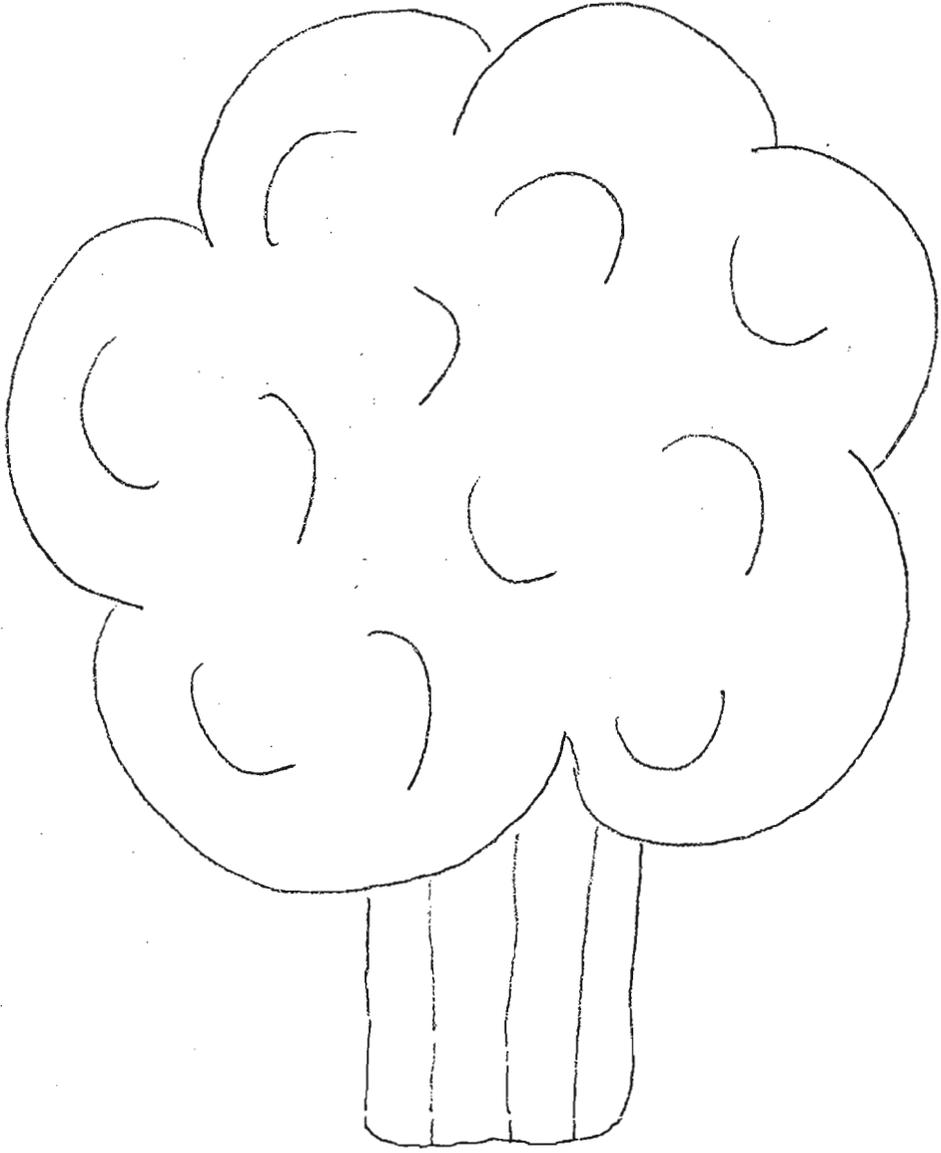

3 little apples on the apple tree.
3 little apples as cute as can be.
1 fell off and hit my shoe.

$$3 - 1 = 2$$

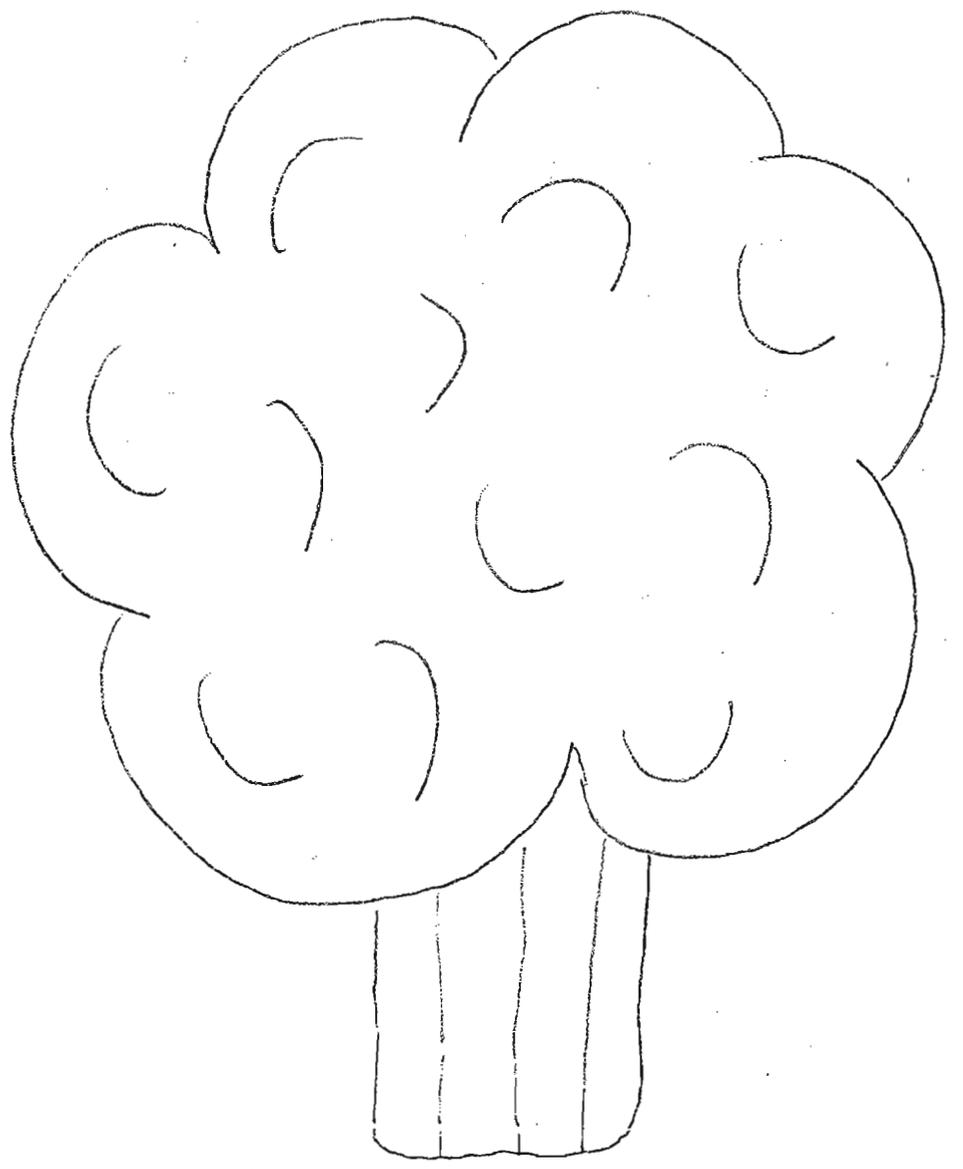

3 little apples on the apple tree.
3 little apples as cute as can be.
1 fell off and hit my shoe.

$$3 - 1 = 2$$

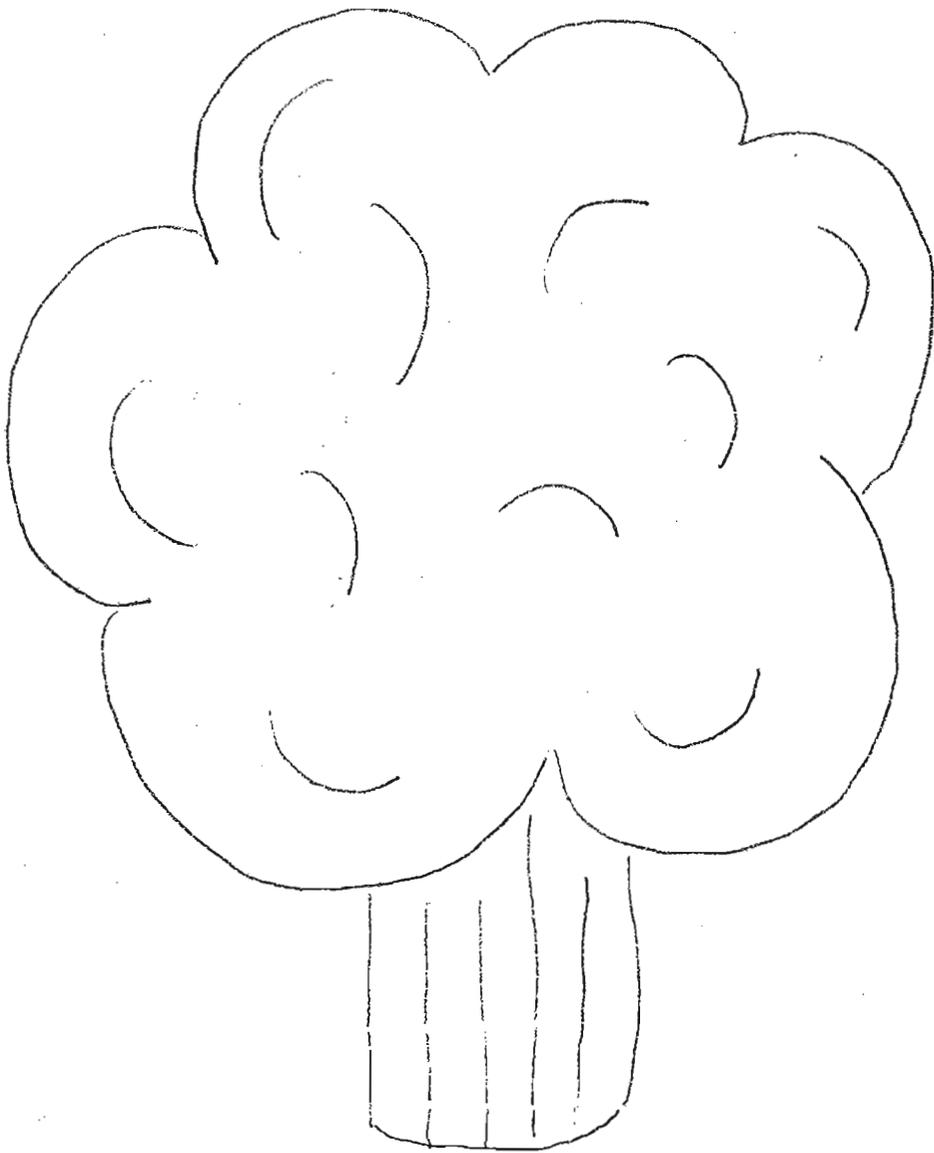

2 little apples on the apple tree.
 2 little apples as cute as can be.
 I picked 1 shining in the sun.

$$2 - 1 = 1$$

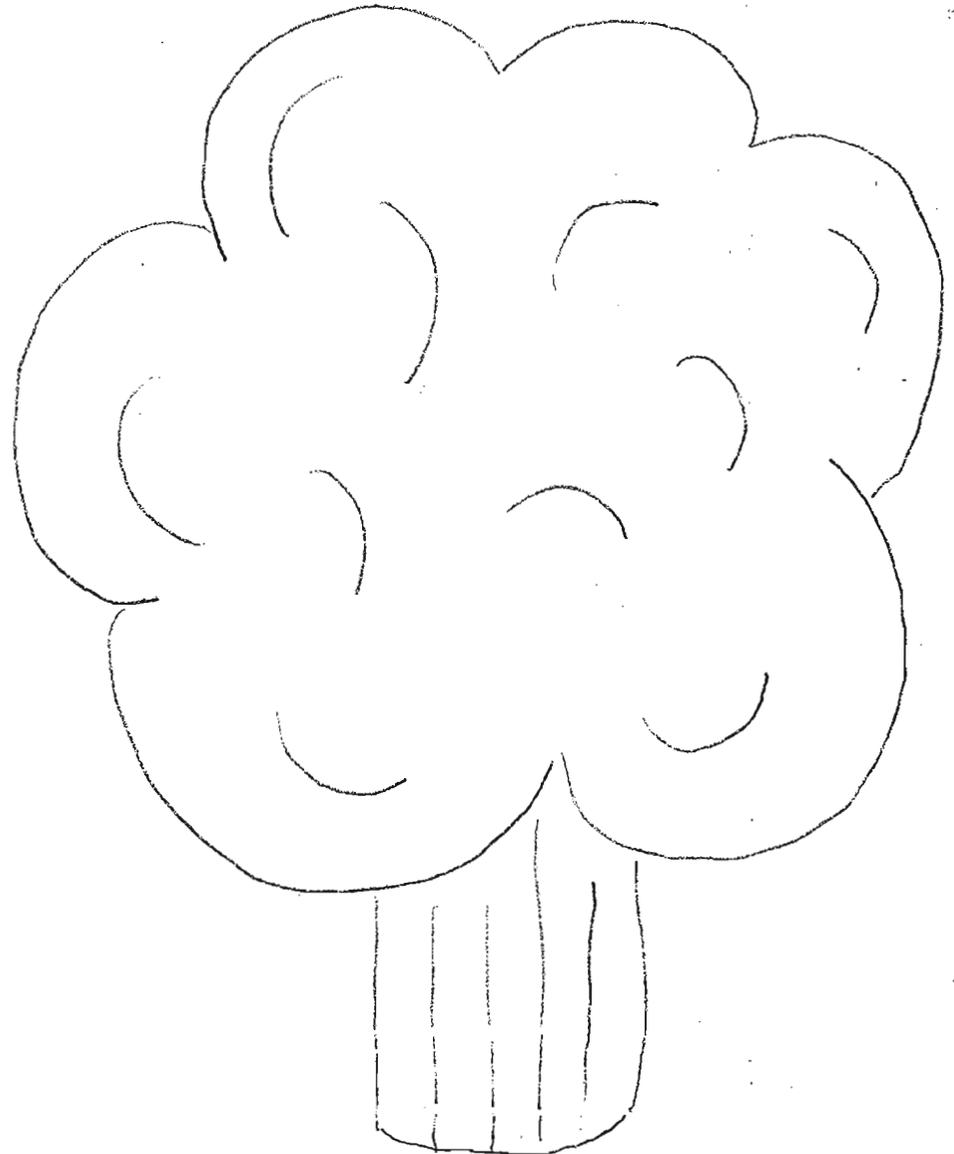

2 little apples on the apple tree.
 2 little apples as cute as can be.
 I picked 1 shining in the sun.

$$2 - 1 = 1$$

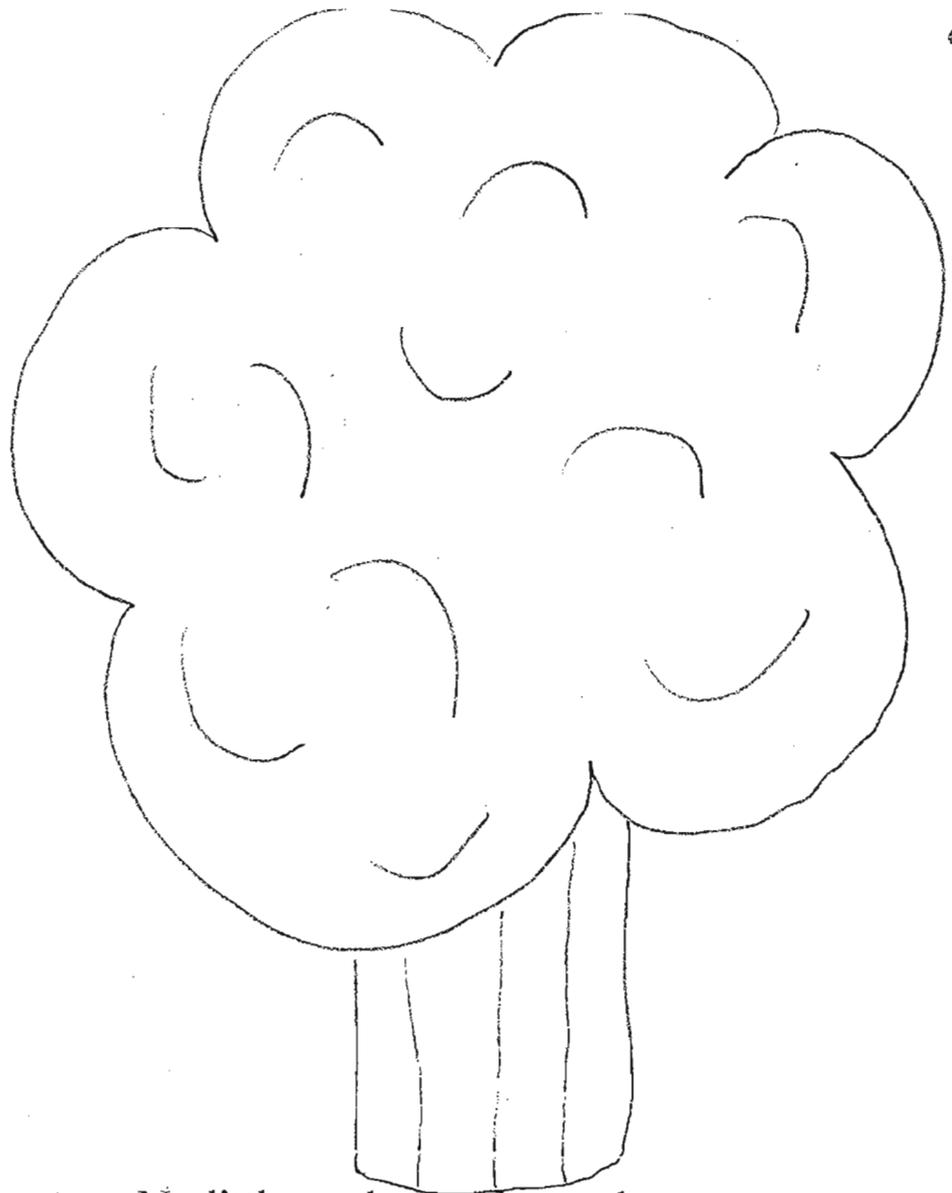

1 little apple on the apple tree.
 1 little apple as cute as can be.
 I'm still hungry I'll grab it on the run...

— = ○ or none!

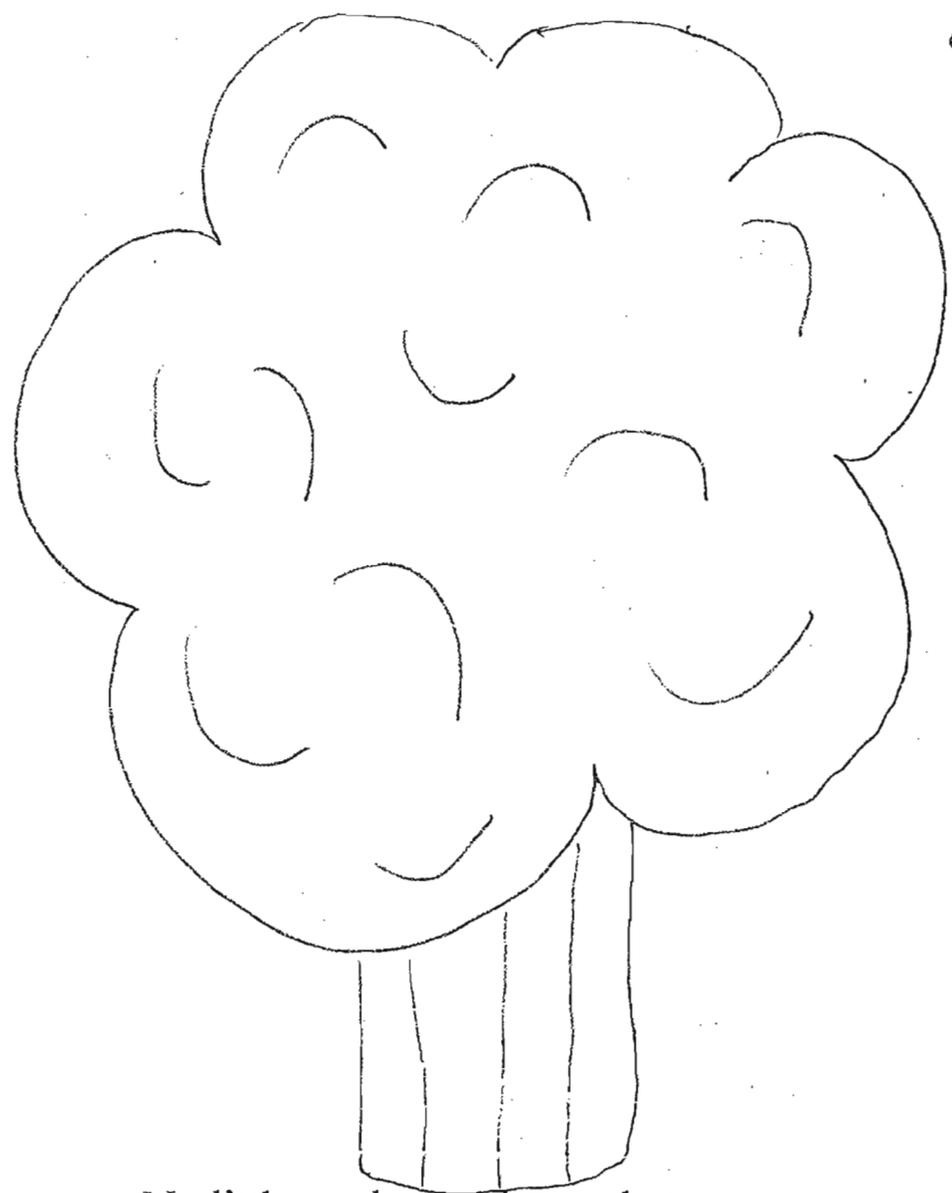

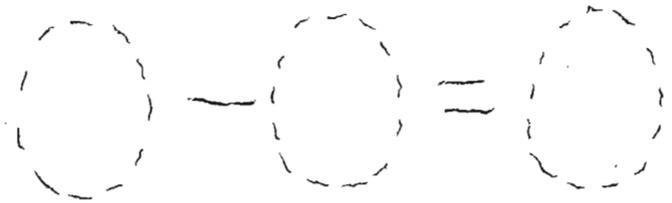

1 little apple on the apple tree.
 1 little apple as cute as can be.
 I'm still hungry I'll grab it on the run...

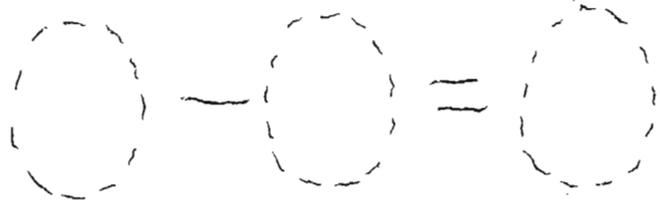

— = ○ or none!

No little apples on the apple tree.
No little apples as cute as can be.

No little apples on the apple tree.
No little apples as cute as can be.

No little apples to take.
 I think I have a tummy ache!
 Gotta go! I have leaves to rake!

No little apples to take.
 I think I have a tummy ache!
 Gotta go! I have leaves to rake!
