I Spy The Letter Aa

You are an ABCde-teacher. Find and circle all of the upper and lowercase letter Aa inside the apple, then count them up and write how many you found in the box below.

A large apple outline containing a grid of letters. A magnifying glass is positioned over the letter 'Aa'. At the bottom right, a box contains the number '54'.

Connect The Letters

A circular path of letters: A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T. A leaf and stem are attached to the top of the circle.

Letter Tiles

Run off the letter template on construction paper. Laminate and cut out. Put each set in a Snack Baggie so that children can use them to fill in the missing alphabet letters, or make a complete alphabet. Students can also make words and spell their name.
