

MLK used many wonderful words in his speeches.  
How many words can you make using the letters in  
**Martin Luther King?**

Challenge: I have a list of 525, that includes 3-eight letter words and quite a few 7 letter ones. How many can you think of? Did you think of a word that has more than 8 letters?

Extra: Highlight any words that apply to MLK. ie. You can make the words great and man, and he was a great man.

that I think  
relate to MLK.  
He was a light,  
talent(ed) and  
a great thinker;  
he walked  
mile(s);  
he was hurt, he  
was taunt(ed)  
he was  
unarm(ed); his  
message was  
urgent, he  
made the  
ultimate  
sacrifice  
etc.
