Calculating A Great Year  
Back To School  
Writing Prompt

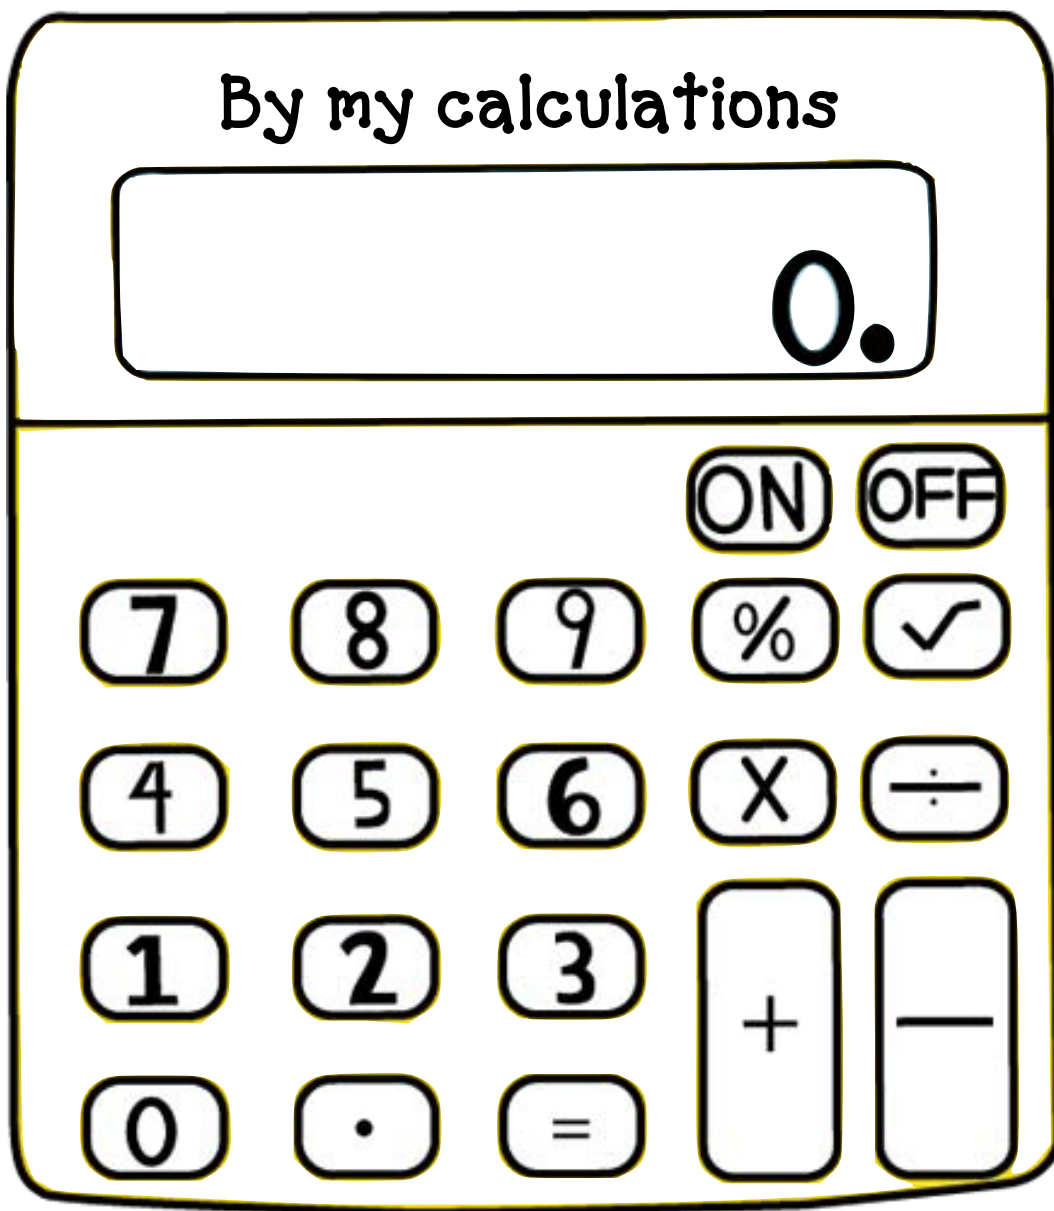

this year is going to be great because . . .

I will have Mrs. Smith as my teacher and everyone says she is lots of fun. In 3rd grade we get to have extra specials, like science lab. I'm excited about gym, Spanish, music, art and computer classes too. The 3rd graders also get to go on a field trip to see a baseball game in May. Finally, my best friend Kesha, moved and will be going to my school! I'm so excited to have her in my class so that we can eat lunch together and hang out at recess.
