- Run off on white construction paper.
- Students design their own Seuss hat.
- You could also have them include words that rhyme with hat.
- Brainstorm with your students and write all of the At family words on the board.
- Enlarge your students' school photo. Cut them into ovals and have them glue their hats on their heads as if they were tipping them.
- If you don't want to use a school photo, have children draw a self-portrait.
- Bulletin board caption: ***Tipping our hats to great readers!***
