## TeachWithMe.com's Apple Bytes August 2011

Welcome to the seventh edition of **Apple Bytes!**

**Apple Bytes** is *TeachWithMe.com's* monthly newsletter and teaching packet for subscription members only.

It's a "taste" of the themes for the month. A nice bonus in your mailbox filled with a little bit of this and that.

I design this especially for you, so please let me know what you'd like in the form of skill sheets, helpful forms, borders for stationery, themes, words for word cards etc. [diane@teachwithme.com](mailto:diane@teachwithme.com)

### **This month's themes:**

- Back-to-school
- Football
- School house
- School bus

There are no seasonal word cards in this month's packet because you can find them in the *ABCDe-tective Classroom Scavenger Hunt* packet. Back-To-School words are also covered in the *My School Words Dictionary*.

Instead of an "Easy Reader" in this month's packet I made up a "class book" writing extension that I thought would be fun, quick and easy as a great *home-school connection* for the first day of school.

I did this because I designed a lot of brand new *September Easy Readers* and wanted to give you something different. Simply click on September and then "back-to-school", to find all the new booklets listed.

I chose football as a clipart theme this month because little boys LOVE football and it's sometimes hard to get them excited about skill sheets. Perhaps this will do the trick. 😊

I hope you enjoy the rest of your summer and can relax and rejuvenate a bit more before things get busy with back-to-school activities.

Be sure to check the blog, as every post will continue to be jam-packed with back-to-school tips.

If there's anything you need help with or can't find, just let me know; I'm here for you.

**Be Blessed!**

Diane Henderson 😊

Dear Families,

We are making a class book entitled: ***Our First Day Of School.***

Attached you will find your child's page. Would you please ask them about their day and what they enjoyed the most and then have them TRACE the sentence.

So that they can complete the sentence, please write their answer on another piece of paper so they can copy it.

Have them draw a picture under their sentence, to illustrate their page. This home-school connection assignment is due on:

\_\_\_\_\_.

Students will be sharing their page with their classmates and then I will be binding them into our first class book!

Thanks in advance for your cooperation.

If you have any questions, feel free to give me a call.
