Do you have an elf hiding  
in your classroom?

If the answer is yes, draw a picture of where you found him today,  
and glue the extra elf there.

If the answer is no; perhaps it's because you just didn't see him!  
Draw a picture of where he might be hiding and glue the extra elf there.

CUT out the elves and GLUE them to the appropriate spots in your booklet.

**Directions:**

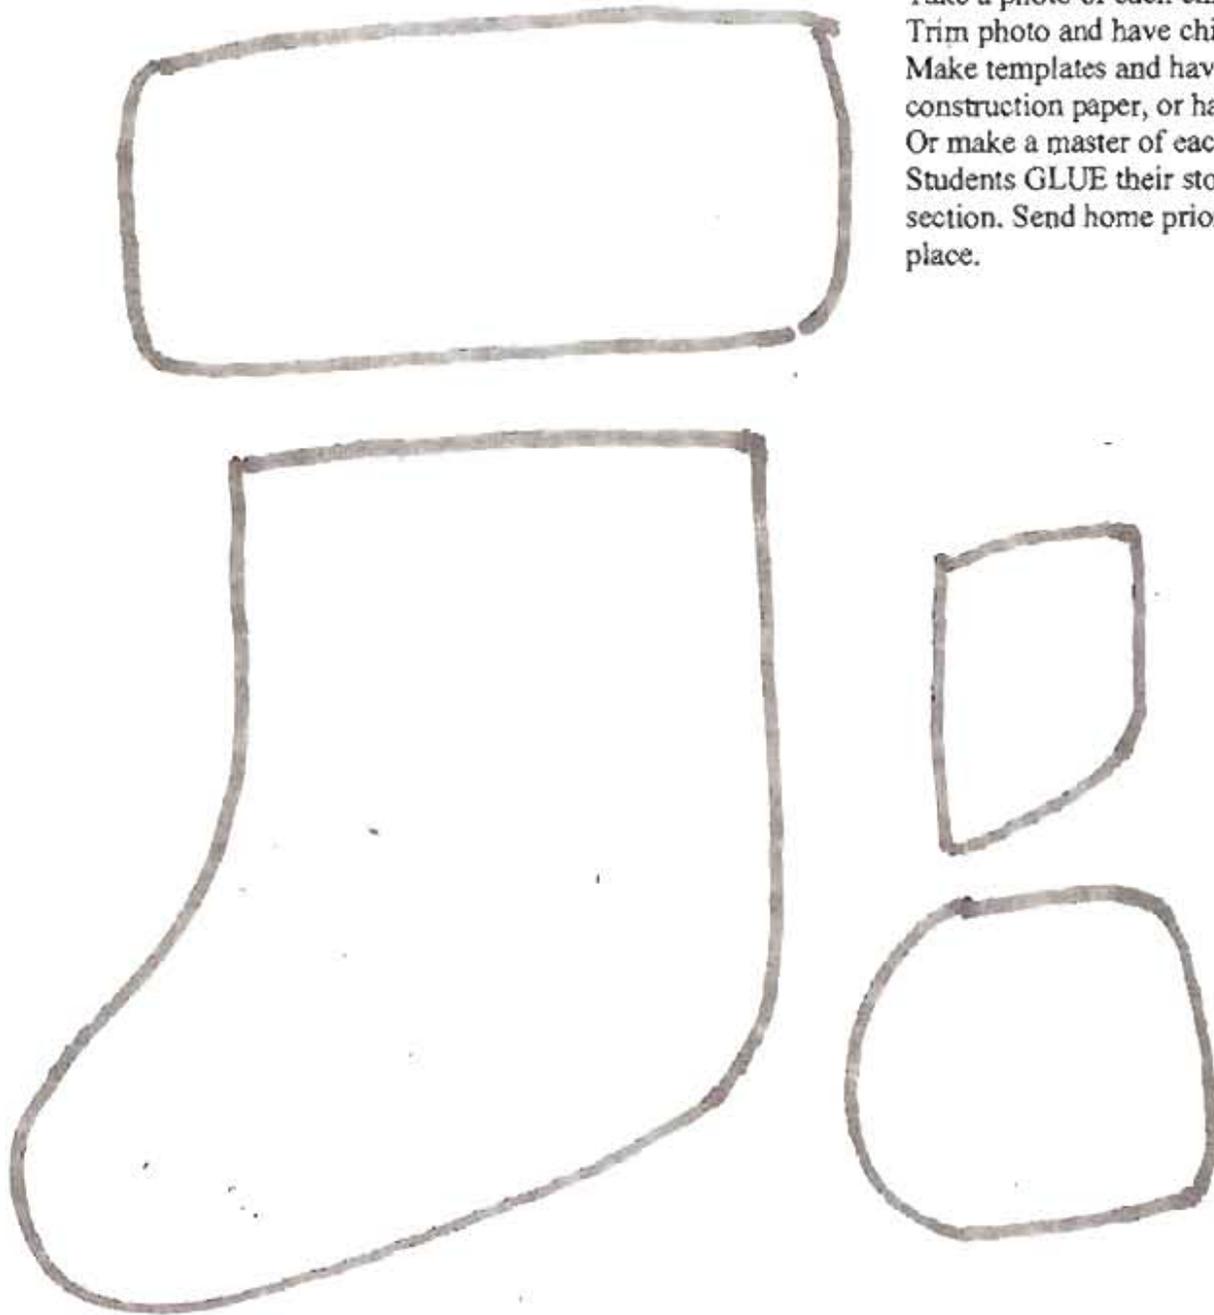

Take a photo of each child wearing a Santa hat.

Trim photo and have child GLUE to the back of the stocking.

Make templates and have children TRACE their pieces on white, red, and green construction paper, or have this pre-done for them to cut out.

Or make a master of each piece and run them off on a Duplo.

Students GLUE their stocking together and WRITE their name on the white rectangular section. Send home prior to Christmas so parents can hang up at home or in their work place.
